Youth Director Report - Beth

- Beth led a group of youth and adult volunteers on a site visit of Camp Jo-Ota, to help with planning and logistics for Spirit Camp.
- Mid-High mission trip had 5 registered, down from 7 last year. Four of the 78 aged out. Will look at ways to increase participation.
- Youth Group time change is set for fall.
- Youth Center is in last phases – still working on last of AV funding.

Music – John

- John did informal of 25 larger mostly Methodist churches and how they handle music for youth. Most had different times for youth choirs, youth band, and youth group.
- Most were led by a music director, with accompanist.
- Most choirs rehearsed immediately before youth group.
- John is proposing Cantate rehearsal on Sun. @ 9:30 am.
- John would prefer not to direct, since he has been only accompanist in the past. Seems to work better for the choir.
- John will direct youth choir for now, due to budget, but may have some ideas for volunteer help from Chancel Choir.
- John may be accompanying Music Makers this year. +
- Bistro music will be changed up for coming year, to allow for greater impact.
- Wants Music Makers to visit Cantate in the Spring, to make for a better transition.
- John plans to visit YG at least once during the coming year, to promote music in general and Cantate in particular.
- Changes to music program are coming, due to retirements plus Andy's arrival.
- John hopes for an overall review in the coming year.

Other Items

- Phone call project is being developed, hopefully to be done later this summer. Idea is to call parents of formerly active youth to invite them back, hear about concerns, etc.
