Youth Director Report - Beth

- Middle School Lock-IN: 30 attended. Emphasis on fun, "hype fest."
- Lock-in coincided with Fall Festival, had 12 helpers who did a great job.
- Beth continues to build relationships with texting and calling youth and parents, attending school events.
- Did not attend ShareFest. There was initial interest, but no signups.
- Confirmation retreat went very well. Seven of the ten in the class attended.
- MS Meet Up – 3 or so attending each week.
- Overall, numbers are up 10% in 2019 vs. prior year.
- Discussed new hospitality procedure, with absent youth getting contacted by other youth.
- Will ramp up being invitational in 2020.

Other Feedback

- Ivy wondered how we can reach out to youth who are not regular YG attendees.
- Mixed results for senior meet up
- Discussed various fund raisers. Next goal is to fully furnish the small group rooms.
- Will follow up with John C. about his availability.

Next meeting: Monday, Oct. 21 at 6:30 pm. Will check on John's availability.
