

February 2020 WIN Team Meeting

Check-In

Minutes from past meetings and budget for nursery/new mom's space to Tiffany

- Nikki updating October 2019 "Nursery Discussion" doc to "Minutes" to send

New Mom/ Nursery Space

- Flooring is no longer part of our budget
- Fireside room is added to budget
 - Going to be a room for families/persons w/ special needs
- Potty toppers to be bought for all main floor bathrooms, 1-2 for multi-stall bathrooms
 - Stickers/plaques to label toppers
- We need to know when we want to buy this, when we want to launch
 - Launch during fall children's ministry launch
 - Easy way to introduce all the new stuff and get everyone on board
- We need to have a conversation about language used, especially with welcome team
- Maybe Breanne would want to design some signage? We'll check with her and Phil Wiseman has to okay it to keep with church design
- Signs on the doors? Long-term, church wants signs hanging from the ceilings

Can we get stools for the bathroom sinks?

2/3-Phase launch? The potty stuff being done by May would be doable and Chessey would love\ New color that's more vibrant to paint for wall behind sticker signage

Breanne painting 2 butterfly wings in the hall would be nice (kinda like that one in Nashville w/ the wings)

Homework:

- Chessey: ask Felicia about the language we need to use
- Winter: talk to Phil Wiseman about the signage we need, get a quote; get the okay for Breanne to do it from Phil
- Heather: this meeting's minutes, clean up
- Nick: sending minutes/budget to Tiffany
- Beth: check out the budget to see what we're had planned; check how much those folding stools from the zoo cost for the multi-stall bathrooms (should need 6)

Next meetings:

- Timeline for getting all our stuff ordered and launch
- Then finding the links and buying all the stuff
