

Small Group Guidelines

To help ensure a healthy and successful small group experience for everyone, group members should review and practice these guidelines during your time together.

SAFE GROUP:

We will strive to create an environment where everyone can be real, open, and honest with their struggles and victories.

CONFIDENTIALITY:

What is said in the group stays in the group.

LISTEN:

Let's value one another during the discussions by really listening to what is being shared. Try to avoid thinking about how you are going to respond, or what you are going to say next.

PAUSE:

Allow a pause in conversation after someone shares. Give the person sharing the chance to finish and the group the opportunity to consider what was just shared before responding.

SILENCE:

It is important to allow silence in the group as it provides an opportunity for someone to share and for members in the group to process the topic or question being considered.

NO "CROSS TALK":

Be considerate of others as they are sharing. No side conversations when someone else is talking.

NO FIXING:

We are not here to fix each other. Give encouragement; speak truth, and point to Jesus. Don't try to solve or fix each other.

NO RESCUING:

When people are sharing something deeply personal, there can be a tendency to try to make them feel better about themselves by providing immediate condolences. This will often cause them to stop sharing. Resist the temptation to rescue people.

SHARING:

Be sensitive about the amount of time you share.

BE SELF-AWARE:

Be self-aware of how you are personally effecting the environment through your words, actions and non-verbal communication.

USE "I" STATEMENTS:

It's easy to talk about the issues of others, but for our purposes, we want you to focus on yourself. Try to use "I" statements rather than "them", "the church", "us", "we", etc.
